

The ICR-149 is a compact vari-focal weather proof day/night bullet camera. It has a 4.0-9.0mm vari-focal lens and utilizes the new Sony SS-11X chipset with 480TV lines. The camera is fully weatherproof (IP66) which makes it suitable for use both indoor and outdoor. Its compact size and low profile make it a great fit where video surveillance is needed but also needs to be discrete.
